Session Information

- All residents of Newfoundland and Labrador can receive access to the SmartForce NL Learning Network by going to www.nlhrmanager.ca and have the ability to complete all of the free courses that are added to that network.
- This program is a partnership with the NL and Labrador Association of Technology Industries and Bluedrop.
- This is a two year pilot project with up to 10,000 available users.
- By the summer of 2011 there will be ten HR courses and five Social Media courses made available, free of cost, to any small or medium size business with 250 or less employees in NL and Labrador.
