

DARE TO BE DIFFERENT... DARE TO BE DIVERSE

Creating a Respectful Workplace Workshop

This workshop was recently certified as a one-credit course with the Canadian Construction Association's Gold Seal program. This training will ensure that participants are better prepared to communicate to staff about the barriers that under-represented groups face (age and disability discrimination, sexual harassment, bullying, etc.), and how as a team, they can create a respectful workplace for all.

Hotel Gander

100 Trans-Canada Hwy, Gander, NL
